### Attention All Volunteers

Hi Volunteers,

The Village is growing and serving more folks everyday and we are learning as we go. It has become apparent that a reminder about several things is important. Orientation involves lots of information and it is easy to miss a couple of rules, so here goes.

1. Volunteers never drive a Member's car.
2. Volunteers should not "call in" a service request for a Member. It is critical in the long term that Village members become comfortable with scheduling their own service requests.
3. Remember to check your email at least once a day and always respond/yes or no.
4. All requests must go through the office.
5. It has become common that a member will request one service, such as a transportation and then add an additional service. For example, a transportation request to a nail salon and then after this service/nails are done, asks the volunteer to stop at the grocery store. The phone team will clarify requests when the call comes in to the office and try to insure all requests are known up front, so the volunteer is not surprised or caught in the middle about the extra time. The result of **add ons** means the expected service time of one hour turns into two hours, plus the service count is not accurate. If you, as a volunteer, are asked for something extra, remind the Member what service you were assigned and this is an extra service. If this is uncomfortable for you to do, call the office and we will follow up with the member.

If you have any questions or suggestions, let us know. Thank you so much for all you do!

### **Outlets Extravaganza Fundraising Results**

San Clemente Village Members, Volunteers, Family and Friends purchased 69 tickets and we raised \$1,725. We doubled the amount we raised through ticket sales last year. But the news is even better! Due to the McBeth Foundation Matching Challenge Award, we actually raised \$3,450! Thank you to everyone who purchased tickets, volunteered and supported our great organization.

Are the potted plants on your porch just begging to be repotted? Is your closet overcrowded by clothes you never wear? How long has it been since your furnace filter has been replaced?

Are some tasks on your “to do” list just overwhelming or even impossible? Here is some good news for Members of SC Village. With just a phone call to (949) 441-1348, you can request help with any or all of the above tasks, and many, more. Some Volunteers signed up specifically to help you with home tasks. The range of their abilities is amazing and services performed are gratis.

Think of the possibilities! In just a few hours with help from a Volunteer, clothes which you have not worn in years can be boxed up for donation. Someone else can surely use your clothes and you gain closet space. Veterans’ Clothing Donations will pick up boxed clothing from your driveway.

Call 1—800-VETS (8387) to schedule a time.

Take time to look around your house, garage and yard. Does a ceiling light bulb need replacing? Maybe you will locate a collection of framed pictures waiting to be hung or a box or two of books which need to be sorted and shelved. You may want to pass some books on to the Friends of the Library, and your Volunteer can assist with this. Think of your friends at the Village first—we’re there to help!
