

What is the San Clemente Village?

- The San Clemente Village is a nonprofit, membership organization serving local residents age 55 and above by supporting and maintaining an active, connected and independent lifestyle. The Village provides services, programs, community connections, and education for members.
- There are over 300 Village organizations throughout the United States where members are enjoying fun social activities together and neighbors are helping neighbors remain safe at home.

How does the Village Work?

- The Village is operated by staff and dedicated volunteers under the guidance of a community-based Board of Directors.
- Annual membership fees, fundraising, foundations and donations establish and sustain the program.

Member Benefits:

- Cultural, social, educational opportunities and fun with other members with similar interests
- One-Call Access for services, transportation, information and referrals
- Referrals to pre-screened, vetted and discounted service providers, San Clemente businesses and professionals
- Phone calls, friendly visits and meals in time of health challenges
- Volunteer help with tasks and other activities including basic household and handyman services

How Can You Help?
